_____ Parking Permit #

STUDENT PARKING AGREEMENT

Parking at Westbrook Regional Vocational Center is a privilege, not a right. Students are permitted to park on school grounds on a space-available basis. Parking lots at Westbrook Regional Vocational Centers are school property, and all Westbrook School Department and WRVC rules shall be enforced in the parking lot. The following specific rules apply to the parking lots at Westbrook Regional Vocational Center:

1. The license plate number of the vehicle to be parked on school grounds must be provided in the space below. If a student drives a vehicle other than the one listed below to school, the student should notify the office staff immediately upon arriving at school.
2. Student vehicles parked on school property are subject to search. Student vehicles and their contents, including containers located therein, may be searched upon reasonable suspicion that the vehicle contains evidence that the student has violated Westbrook School Department or school rules, or State or federal law.
3. Westbrook Regional Vocational Center's parking lot, like all other school property, is subject to canine patrols – inspection by dogs trained to detect drugs and/or weapons. In addition, school administrators may conduct plain view inspections of vehicles parked in the Westbrook High School parking lot.

By signing below, we acknowledge and agree that these rules, along with all other Westbrook School Department and school rules, including Westbrook School Department Policy JIH – Questioning and Searches of Students, will be enforced in the Westbrook Regional Vocational Center parking lots.

Student Name (printed)	Student Signature	Date
------------------------	-------------------	------

Parent/Guardian Name (printed)	Parent/Guardian Signature	Date

Parking spaces are allocated by the administration of the sending school.

PLEASE NOTE: *the privilege to drive a vehicle to WRVC may be revoked at anytime*

****Students must maintain an 85 average at all times to maintain driving privileges.****

Prior written approval from the Director or Assistant Director must be given for:

- Working on personal vehicles in Auto
- Fulfilling before or after school driving time for CDL
- Before or after school make-up

Students who drive are expected to be at WRVC for Tech 1 by 7:50am and Tech 2 at 10:45am.

- Students arriving after 7:50am (Tech I) or after 10:45am (Tech II) will receive an unexcused tardy. After three (3) unexcused tardies students will lose their permission to drive for five (5) school days. Second offense (six accumulative, unexcused tardies) 10 school days, 3rd offense, (9 accumulative unexcused tardies) remainder of the year. We understand that occasionally circumstances beyond the student's control might result in being tardy and we will consider exceptions for instances such as accidents, weather, etc.
- Speed limit on school grounds is **15 mph.**
- The preschool playground is by the entrance/exit to the parking lot. Be extra alert- the children are not thinking about you, they are thinking about having fun.
- Parking is along the tree line in designated parking spaces behind the Center. Overflow parking will be located in perpendicular fashion alongside the baseball field. Do not park in staff/visitor parking areas.
- Keep the tunes low. Canal Elementary School learners are directly behind us through the trees.
- Excessive speed, noise, reckless and/or unsafe driving will result in loss of privilege to drive to the Center.
- During the winter months, snow banks can obstruct your view and corners can be icy. **KEEP TO THE RIGHT AND DRIVE SLOWLY.**
- Smile-- you're on camera! WRVC has surveillance cameras in our parking lots.

I have read and understand the above rules in addition to the school rules listed on the front of this form.
